Join the Fight Against Alzheimer's

Become a Part of Our Global Effort

Our Mission: The Alzheimer's / Dementia Rotarian Action Group (ADRAG) empowers Rotary and Rotaract clubs and districts worldwide. We are committed to planning and executing impactful projects on Alzheimer's and dementia. By educating over 1.2 million Rotarians and leaders on cutting-edge scientific research and the significant impacts of Alzheimer's, we advance our fight toward finding a cure.

Why Join ADRAG?
